

Háskólafélag Suðurlands

Learn, Taste, Experience - Iceland

A company owned by 14 municipalities in South Iceland

- Improving access to education
- Encourage research
- Regional development

Not part of the formal educational system, emphasis on working with companies, universities and institutions – a kind of a switchboard

Erasmus+ project: Education and Innovation in the Tourism Industry

- <http://www.tourope.net/>
 - The University of Malaga
 - The University of Highlands and Islands
- The Iceland Scotland connection is getting stronger and stronger ...
